(Saint Petersburg)

**The conference includes the following sections:**

Qualitative Theory of Ordinary Differential Equations and Applications

Partial Differential Equations and Mathematical Physics

Dynamical Systems, Singularity Theory and Geometry

Spectral Theory and Functional Spaces

Asymptotic Methods and Homogenization

Section dedicated to V.V.Kozlov

Section dedicated to the memory of V.A.Kondratiev

Section dedicated to the memory of O.A.Oleinik

Moscow, May 19-24, 2025
